

The Hyde Park Historical Society is excited to announce an Open House on Sunday, January 22 from 2-4pm at the Society's cable car building on 5529 South Lake Park Avenue. This event will reprise the *Olmsted 200* celebration, a collaboration by the Washington Park Camera Club, Julia Bachrach and the Hyde Park Historical Society, funded by the Terra Foundation for American Art as part of Art Design Chicago.

Come and meet the photographers who created [*South Park Then and Now*](#) – a photographic tribute to Jackson Park, Midway Plaisance Park, and Washington Park – and view some of their photographs. Hear from the participants about all of the events and activities that made up the *Olmsted 200* celebration in Chicago.

Discussion will begin at 3pm.
