NANCY HAYS PHOTOGRAPHY EXHIBITION

After 10 years in storage, HPHS has begun work on an exhibition from the Nancy Hays archive of photographic negatives from the 1960's through the 1980's. Local photographers Becca and Mik Major have joined the effort. A fundraising effort for this project will be launched in the near future and we hope to have the exhibit ready by Fall 2019. Contact: Michal Safar, msafar@ameritech.net.
